Tour In-charge	Mr. Tejendra Kumar
Content	Student Welfare Committee with the initiative School of Education organized an “Educational Tour” to National craft museum and Sunder Nursery National Zoological Park, New Delhi for the students of B.A B.Ed. 2 nd Year and 3 rd Year Students on December 20, 2021 on the theme “Awareness towards Indian culture & heritage”. The trip began with lot of enthusiasm and vigor. The National Gallery showcased a large number of folk and tribal paintings. The gallery included information on changing lifestyles of people in India over a time. It was a great learning experience and a wonderful opportunity to discover the cultural heritage of our nation. After this the students accompanied by faculty members went to Sunder Nursery National Zoological Park. This serene place is in the heart of New Delhi away from the hustle bustle of city. Children enjoyed the open area, saw flowers, different birds, trees, lakes and monuments. Some transcripts carved out of stone in Urdu were written on monuments to give a culture experience too. Nature and culture going hand in hand is a total bliss.
Objective	This activity had the following objectives: <ul style="list-style-type: none">➤ Educational tours for students provide them with an opportunity to collaborate with teachers and integrate new perspective with informal environment to enhance learning.➤ It provides the opportunity to explore the world of folk arts and crafts to enhance our understanding.➤ It develops the knowledge about Indian culture heritage and traditions.➤ It boosts critical thinking.➤ It enables the students to recreate something spectacular with all the material that are not in use anymore. It gives them insight into the marvels of the heritage sites.
Outcome	The visit proved to be a great way to arouse curiosity in the minds of students and was a thrilling and motivating experience. It was a great learning experience and a wonderful opportunity to discover the cultural heritage of our nation.
