	<b>Report</b>
Name of Activity	Talk on Common Gynaecological Disorders
Date	8 <sup>th</sup> January 2021
Venue	Seminar Hall
Organized by	Management Department
Name of Recourse Person	Dr. Malvika Sabarwal, Gynaecologist and Obstetrician, at Apollo Spectra Hospitals
Participated by	BBA female students
Activity Coordinator	Ms. Sonali Chauhan
Content	<p>The fight for women's rights is incomplete without mentioning women's health. The particulars of female reproductive health are diverse, and education remains a key component. Learning about common gynaecological problems is lagging in our society. Working on Gender equity and sensitizing students Managalmai Institute of Management and Technology organized session on common gynaecological disorders with Dr Malvika Sabarwal. This was an interactive session with questions from moderator of the event and participants.</p> <p>Few question that Dr Sabarwal discussed</p> <p>What are Gynaecological disorders? Which are the top 10 Gynaecological disorders in women? What are the common Gynaecological symptoms, for which you should consult doctors? What is the importance of gynecological screening? How it can be performed at home? What is importance of hygiene in Gynaecological disorders? How to maintain this hygiene. What is the role of diet in Gynaecological health?</p>
Objective	To sensitize female students, faculties & staff about Gynaecological health and hygiene.
Outcome of Activity	Female Students, staff and faculties are now much more aware about Gynaecological health. In case of an issue or disorder they know how to respond on it.
