Date	23 rd January 2021
Venue	Seminar Hall
Organized by	MIMT
Name of Expert/ Guest	Dr. Meenakshi
Participated by	Faculty & Students (167)
Content	The contribution and philosophy of Subash Chandra Bose induce high energy in youngster, and inculcate patriotic feelings. What an apt day to celebrate his birth anniversary. Mangalmai Institute of Management Technology organized debate competition on his contributions made in freedom movement. Subash Chandra's oratorship is something which still is celebrated by youngster and it was very apt to have debate competition about his contribution and his philosophy about how we got freedom from Britishers. The two groups were made as Against and Favour for his philosophical idea about freedom and then one by one students were invited to discuss the points. After every three rounds of favour and againt question-answer time was also given to prove their points and have clarification on said points. The students enthusiastically participated in the event and audience also learnt about contributions made by Neta Ji Subhash Chandra Bose.
Objective	To aware with the contributions made by Neta Ji and have their own thoughts on his philosophy about getting the freedom.
Outcome of Activity	Students learnt the debate process, learnt how discussion can be done without offending the party in against. Have information about Neta Ji's contribution.
