Objectives:	<ul style="list-style-type: none">• To create awareness among students regarding gender equality.• To make them aware of Gender- based violence, including domestic violence and biasness.
Content:	<p>BCA Department of Mangalmai Group of Institute organized an awareness program on gender equality.</p> <p>While addressing to the students, the resource person feels that discrimination between the sexes starts right from school and colleges. Even very young boys and girls are made to sit apart. As a result, there is little interaction between them, and neither understands how or what the other thinks. It is only when they are slightly older do children realise that it is possible to be friends with the other sex. This kind of segregation, he believes, has an impact on gender relations as even a simple touch tends to be seen through the lens of suspicion.</p> <p>She also spoke about gender, gender equality and inequality, problems of gender inequality, major reasons for gender discrimination. Resource person addressed and clarified the questions posed by the participants.</p> <p>The whole event was successfully coordinated and everybody appreciated the efforts of Department of BCA. The ceremony ended with the formal vote of thanks and singing of the National Anthem.</p>
Outcome of Activity:	The students were well-informed about the gender equality and measures that needs to be taken in future.
