Content:	<p>BCA department of Mangalmai Group of Institute conducted poster making competition on occasion of International day of Girl child. The program was started with the welcome speech of Ms. Nisha, faculty in BCA department.</p> <p>She focused attention on the need to address the challenges girls face and to promote girls' empowerment and the fulfillment of their human rights. She highlighted that adolescent girls have the right to a safe, educated, and healthy life, not only during these critical formative years, but also as they mature into women. If effectively supported during the adolescent years, girls have the potential to change the world – both as the empowered girls of today and as tomorrow's workers, entrepreneurs, mentors, household heads, political leaders and mothers. She feels that to deal with such sensitive topic, competition like poster making can be of great help. The students displayed their artistic skills through the exquisitely designed posters on the given topics.</p> <p>The poster was displayed on Rights of Girl Child, Prevention of female feticide, Preventing gender-based bias, Education of the girl child, Child marriage, and empowering the girl child. The students also explained the poster for the participants. They also added up on sensitizing the participants on the ill effects of dowry, hazards of domestic violence and child labour. The whole event was successfully coordinated and everybody appreciated the efforts of Department of BCA. The ceremony ended with the formal vote of thanks and singing of the National Anthem.</p>
