## About MIMT

Mangalmai Institute of Management and Technology (MIMT), Greater Noida, established in 2002, is a premier institution dedicated to academic excellence, research, and professional development. Offering industry-relevant undergraduate and postgraduate programs, MIMT fosters innovation, entrepreneurship, and global collaborations. With state-of-the-art infrastructure and a focus on sustainability, the institution nurtures responsible global leaders. Through its commitment to academic rigor and industry interface, MIMT shapes the future of education and research, creating meaningful global impact and contributing to advancements in various fields.

## Conference Themes

As the world grapples with the accelerating impacts of climate change, there is an urgent call to action for leaders, educators, innovators, policymakers, and students to converge and create resilient pathways toward a sustainable future. International conference on Energize the Future: Shaping Sustainable Solutions for Climate Resilience (ICEF SSSCR 2025) is a pioneering platform where visionary minds meet to redefine sustainability and resilience in the face of climatic upheavals. From renewable energy transitions to sustainable development, the conference promises a comprehensive exploration of what it takes to energize our collective future. Fostering dialogue and collaboration will drive innovative solutions, policy advancements, and impactful climate action. By uniting diverse stakeholders, we can accelerate sustainability initiatives, green investments, and resilience globally.

## Objectives

The International Conference on "Energize the Future: Shaping Sustainable Solutions for Climate Resilience" aims to promote sustainable energy solutions, strengthen climate resilience, and foster global collaboration among policymakers, researchers, and industry leaders. It focuses on advancing renewable energy, low-carbon technologies, and adaptive strategies for vulnerable communities. The conference supports policy development, encourages green innovations, and explores climate financing mechanisms.

## Call For Papers

We welcome the submission of original and unpublished work for the International Conference on Energize the Future: Shaping Sustainable Solutions for Climate Resilience (ICEF SSSCR 2025). Leaders, educators, innovators, policymakers, and students are invited to present papers offering fresh perspectives and innovative solutions to address the challenges of climate change, renewable energy transitions, sustainable development, green investments, and resilience building.

Subthemes and topics for ICEF - SSSCR 2025: Recommended topic but are not limited to the following:

### Green Investment and Financing

- Green Bonds: Leveraging Financial Markets for Sustainability
- Funding Renewable Energy: Challenges and Solutions
- Impact Investing: Aligning Financial Growth with Environmental Responsibility

### Sustainable Operations & Supply Chain Management

- Green supply chain management and logistics
- Sustainable production and waste minimization
- Role of technology (AI, IoT) in eco-friendly operations
- Carbon footprint reduction in manufacturing & services

### Human Resource Management & Workforce Sustainability

- Green HRM: Sustainable HR policies and practices
- Employee engagement in corporate sustainability initiatives
- Diversity, equity, and inclusion (DEI) in climate action
- Workplace well-being and environmental responsibility
- Leadership and change management for sustainability

### Marketing for Climate Resilience & Sustainable Consumerism

- Green marketing and eco-friendly branding strategies
- Consumer behavior in a sustainability-driven market
- CSR-driven marketing and ethical brand positioning
- Digital marketing for promoting climate-conscious businesses
- Greenwashing vs. authentic sustainability marketing

### Climate Change Mitigation Strategies

- Carbon Capture and Storage (CCS) Technologies for a Low-Carbon Future
- Decarbonizing Transportation: Electric Mobility and Future Trends
- Energy-Efficient Solutions for Industrial and Residential Sectors

### Policy, Governance, and Climate Action

- Climate Change Policies: Aligning Global and Local Efforts
- Advancing Climate Justice: Ensuring Equity in Global Climate Action
- The Role of International Agreements in Addressing Climate Change
- Local Governance and Community-led Climate Adaptation Strategies
- Social Equity & Inclusive Climate Action
- Technology & Digital Innovation for Sustainability

## Publications

The Selected paper presented in the conference will likely to be published in:

- Scopus
- ABDC
- Peer reviewed Journal
- MJMT Journal
- Conference Proceeding with an ISBN number

## Submission Guidelines

Abstract: 300 Words  
Full paper: 2500-4500 Words  
Title Page: Title, Author(s), Designation, Professional Affiliation, Contact Details, Email  
Text font and Size: Times new roman, 12  
References: APA Style

## Registration Details

Category	Amount (Rs.)
Industry Professional	1500
Academicians	1000
Research Scholars / Student (UG/PG)	400

(Maximum 3 Authors are allowed)

## Submission Deadlines

Details	Deadlines
Abstract & Full Paper Submission	30 April 2025
