<b>Report</b>	
Name of Activity	<b>"Warmth and Wellness: Blanket, Sweater, and Sanitary Pad Distribution Initiative"</b>
Date	22nd December 2022
Venue	Shri Tara Chand School, Piyawali Tejpur, Dadri, Greater Noida
Participants	26 Students of B.A.B.Ed
Organized by	Student welfare Committee
Objectives	<p>The objectives of "Warmth and Wellness: Blanket, Sweater, and Sanitary Pad Distribution Initiative" were:</p> <ul style="list-style-type: none"><li>• To help needy and poor people by providing the essential items (blankets, sweaters, sanitary pads) for immediate comfort and hygiene.</li><li>• Raise awareness about hygiene and health, emphasizing the importance of sanitary pad usage.</li><li>• To make sure that the help reaches those who are actually in need.</li><li>• Foster community responsibility through active participation.</li></ul>
Content	<p>There is no better gift than providing warm clothing to a person in need during the winter season. In most of the slum areas/villages, people experience the bitterness of extreme weather but at the same time, it allows us to serve humanity by helping and donating something to the needy. This season is the most suitable time to donate blankets that can surely make a considerable difference to an individual or an underprivileged family in need. India is mostly known for its hot climate but the months of December to mid February can be measured as bitter cold temperatures in various cities of the country.</p> <p>On 22nd December MIMT organized the "Warmth &amp; Wellness : Blanket, Sweater, Sanitary Pad" is a community-driven initiative designed to provide essential items and support to those in need , as every year many people in India die because of abnormally cold temperatures. The distribution of sanitary pads as part of the initiative promotes menstrual health and hygiene among women and girls, preventing infections. Incorporate an "Holistic Wellness Approach into the initiative by not only distributing blankets, sweaters, and sanitary pads but also organizing cleanness drive on personal and environmental cleanliness. Include informational sessions on proper hygiene practices, waste disposal, and the significance of a clean living environment. This comprehensive approach ensures that recipients not only receive essential items for physical warmth but also gain knowledge for overall well-being.</p>

	<p>Honourable Chairman Sir Mr Atul Mangal distributed more than 200 blankets and sweaters amongst students and staff members of Shri Tara Chand School, Piyawali Tejpur, Dadri, Greater Noida. Sir believes in the motto that children of today are the future of our nation. Sir enthusiastically encouraged students for more study. He also promised that he will always help them. Our students of B.A.B.Ed I,II,III &amp; IV year distributed blankets and sweaters to the students. Also the sanitary pads distributed among the girls students. Their happy faces made our day.</p>
Outcome of Activity	<ul style="list-style-type: none"><li>• With our blanket distribution drive, many poverty-stricken have received the benefits that would eventually help them amid the cold and chilling winter.</li><li>• Access to sanitary pads enhances menstrual hygiene for girls.</li><li>• Empowerment for women and girls in controlling their menstrual health</li><li>• Students got awareness about community, social welfare and charity.</li><li>• Students also get to know how society and educational institutions mutually benefit each other.</li><li>• It was symbol of selfless love and sympathy.</li></ul>
